

Dear Parents and Campers,

Thank you for taking an interest in High Point Stables' activities that are offered for 2016. I am looking forward to spending time with your children; we will have so much fun learning together!

This is a farm, so jeans and boots are required for your child's comfort and safety. Your child will be getting dirty, so please have them wear appropriate clothing. We will be inside and outside so I suggest layers for your child's comfort. I recommend bringing a backpack with an extra change of clothes, water bottle, snack, lunch. All children are required to wear helmets while riding at High Point Stables (if your child doesn't have a helmet, one will be provided). We have a variety of horses to use for camp, however if you would like to bring your own horse you may do so at no additional fee. Talk to Lindsey about this option prior to camp.

Attached are all the forms and information you will need to register your child and a schedule of events that the children will be participating in.

**** Please ask for Camp Dates, or check the Events Page on our website ****

- <http://www.HPSBoarding.com> -

- The schedule of events is for your own use and is subject to change. It is provided to give an overall idea of what your child will be doing at camp. Your child is responsible for providing their own lunch unless the schedule states one will be provided.
- The camper information form is for my own use in case of an emergency and it allows me to set up activities which all children can participate in. I also use this for future mailings so please put your complete address & email address on it. Please circle the camp which your child will be attending.
- The medication release only needs to be signed if I need to administer medication to your child while they are at camp.
- The liability and medical release form must be signed and handed in with your deposit to hold your child's spot. The deposit is \$100.00 per camp week.

If you have any questions feel free to call Lindsey at 517-490-7013.

Please mail the liability form, camper info sheet, and deposit to:

High Point Stables, LLC
2534 East Vermontville Hwy.
Charlotte 48813

Thank you and we look forward to another exciting year of Horse Camp!

Lindsey ☺
